Sir:

The Issue and Publication Fees were paid in the above-identified application on February 28, 2006, in response to the Notice of Allowability mailed December 1, 2005. However, the above-identified application became abandoned due to failure to submit corrected drawings, required in the Notice of Allowability. Notification of abandonment was mailed to the offices of the undersigned in the Communication mailed April 10, 2006.

This application became abandoned because the failure to submit the corrected drawings was unintentional. The entire delay in filing the required reply from the due date until the filing of this Petition was unintentional. See 37 CFR 1.137(b)(3).

The necessary response (that is, the corrected drawings) is attached.
Also attached is the necessary fee under 37 CFR 1.17(m).
